

## London Modern Quilt Guild Logo Challenge

Our Logo challenge is here! Each Member is invited to create a block that will be used to build our very own Guild Quilt. Here are the guidelines:

- The block can be any size as long as the total **maximum** perimeter dimension of the block is 48". For example, you could have a 12"x12" block where the total dimension of all sides is 48" (12+12+12+12) OR a block that is 9"w x 15"h where the total dimension is 48. (9+9+15+15)
- The completed blocks can be brought to our **November** meeting. At that meeting we will play with the arrangement of the blocks to decide on the final quilt layout. (Think off-the-grid as Jacquie Gering demonstrated)
- The final block should have a **stay stitch** around the perimeter of the block to help keep any seems in place.
- You may use **ANY** fabric that coordinates with the colours in our logo.
- We have ordered a fabric printed logo from Spoonflower, so there is no need to replicate the logo.

***Happy Quilting!***

To help you with your fabric selection, here is a list of **\*Dulux (CIL)** paint chips that are close in colour to our printed fabric logo. ***PLEASE REMEMBER THAT THESE ARE ONLY A GUIDELINE. IF YOU HAVE YOUR OWN METHOD TO SELECT COLOURS, FEEL FREE TO USE IT.***

The number indicated on each colour is the card number that these specific colours can be found.
