VOLUNTEER WITH OUR GUILD

Our guild has so many talented and generous members, please consider volunteering.

We are always looking for volunteers for the following tasks. Each task can be shared with more than one person to lighten the load.

Program: One benefit of our guild is that we are a teaching guild. We rely on our members to help out where they can with the monthly program topics. Do you have a special technique you would love to share? Please let us know. Do you want to team with others for a predetermined topic? We need that too. Your help is only needed from time to time, not every month.

Executive Committee: We are currently looking for the following positions:

Workshop, President and Vice President

If you are thinking of volunteering you can shadow that position at the beginning of 2025 to learn what is involved.

Job descriptions can be found here:

We appreciate you offer to help!
